NEW KIDS!

Welcome Najma (left) and Najmu (right) to the MV family! They just turned 5 in April and will be starting school this September. A big thank you to Miranda and Grant for sponsoring Najma and to Wendy and Lou for sponsoring Najmu!

If you or anyone you know is interested in sponsorship, becoming a Mesha's Village member, or making a one-time donation please visit www.meshasvillage.com or email meshasvillage@gmail.com

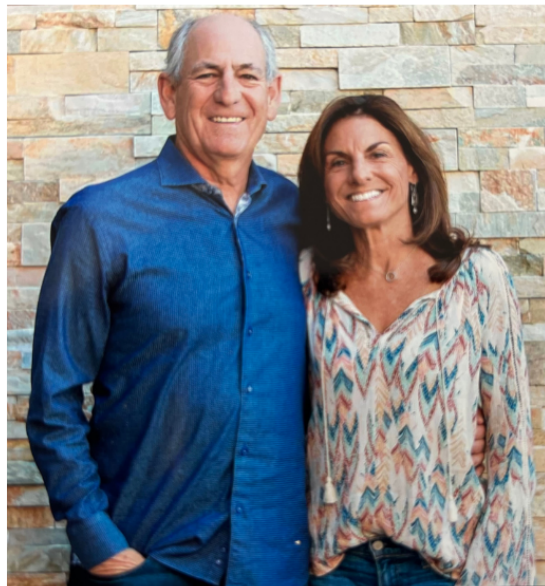

Sponsor Spotlight

Thank you to Lou and Wendy for sponsoring Najmu.
Every sponsorship counts!

Wendy grew up as a latchkey kid with a hard-working single mom, and Lou is the son of immigrants from Ecuador. Both were raised by loving and caring families. Those early roots grew into lives full of good fortune and countless opportunities!

Lou and Wendy have experience sponsoring children in Ecuador. When they discovered Mesha's Village through Miranda Lachman, their son's girlfriend, they were moved by the organization's mission to help kids grow and thrive. Inspired by Miranda and their son, Grant, who began to sponsor Najma this past spring, Lou and Wendy were thrilled to begin sponsoring Najmu.

Lou and Wendy are very thankful and grateful for the blessed life they have built and for the opportunity to give young kids a brighter future!

Let's Celebrate!

We are celebrating many Mesha's Village birthdays this time of year! Happy birthday to all!

Swahili Sayings:

In conversing with the children and our local friends, we have learned a bit about Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you.
