

MESHA'S VILLAGE

June 2022 Newsletter - Issue 25

Meet Our New Kids!

You might have already seen them on our Instagram, but we've added 3 new faces to our Mesha's Village family! **Dorcas** is 8 years old in class 2, **Diana** is 10 in class 5, and **Myra** is 3 and enrolled in middle class.

These kids lost their former sponsors and would've otherwise not been able to continue school, but thanks to the generosity of our new sponsors, they'll remain at Haradali and become part of the MV family, bringing us to **26 sponsored children!**

SPONSOR SPOTLIGHT Julie, Dan, Kelsey, and Celina

Tell us a little about your family.

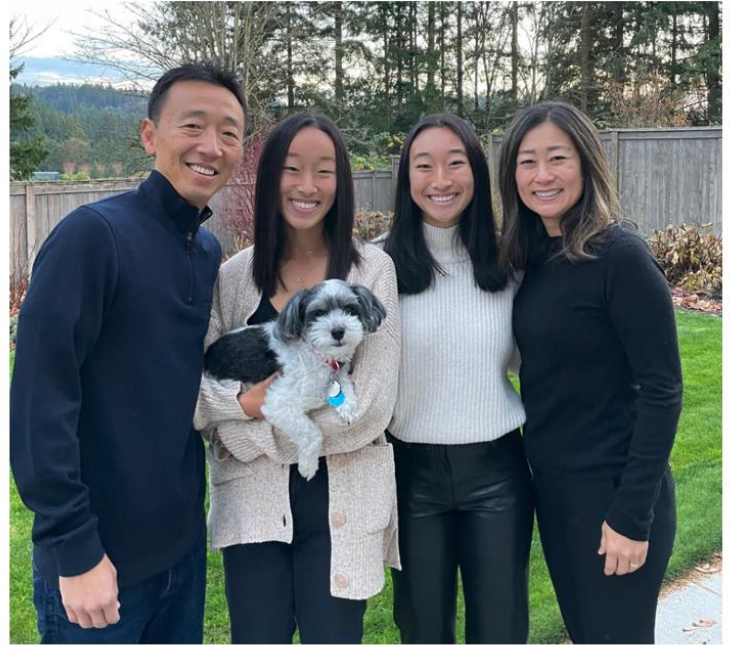

Dan and I have 2 almost grown daughters, Kelsey a 1st year at Northwestern University in Chicago and Celina a junior in High School. We live in Redmond WA and love to enjoy the beautiful outdoors. Both our girls play soccer, and we spend most weekends watching them play. We also have a dog who lives to go on walks. So, when we're not watching soccer, we're exploring nearby places with Charlie.

How did you hear about Mesha's Village and what made you want to sponsor through us?

Madison introduced us to Mesha's Village, and I was very excited to join the mission of supporting a child who otherwise wouldn't have the opportunity for education.

What excites you most about sponsoring a child in need?

To have an impact on a single person's ability to raise and realize their full God-given potential seemed too good to pass up.

How has your experience been with Mesha's Village so far?

Excellent. I got to meet Samir over FaceTime and introduce myself. He is adorable! I know he's in great hands. I love the holistic approach Mesha's Village takes in supporting his educational needs.

Thank you, Kwon Family!
We're so thankful to have people like you on our team!

May & June Birthdays

In May we celebrated **Daines** turning 7 and **Violet** turning 8, and in June we have **Happyness** turning 7 as well as **Junior** turning 8!

Swahili Sayings

In conversing with the children and our local friends, we have learned a bit of Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you all.

"Majira ya joto" meaning **"Summer time"**
