

MESHA'S VILLAGE

April Newsletter - Issue 01

If you want to go fast, go alone. If you want to go far, go together. -African Proverb

Team Member Spotlight:

Hi everyone, my name is Madison Potter and I am the President & Co-Founder of Mesha's Village. Thank you so much for being a part of this journey with us- it is so special & I truly believe that it can be something big. With every donation, profit share purchase & participation at our events, you are making a huge impact in the lives of children who have no one else in their corner. These kids have dreams of being teachers and doctors, and with your help, one day they will be. They say, 'it takes a village', and that couldn't be truer. Thank you for your continued support and get ready- there are big things coming!

Events Update:

On March 1st we hosted our 2nd Annual SoulCycle Charity Ride. Thank you to the SoulCycle Domain team for hosting us, to Panera and HEB for their generous donations and a special thank you to everyone who rode along side us. Together, we were able to raise over \$1,500- we couldn't have done it without you!

Haradali Pre & Primary:

All six of our Mesha's Village children attend Haradali Pre & Primary School, a nationally recognized primary school with certified teachers. They take great care of the students & we are confident that they are in good hands each day. On March 15th, Haradali brought an optician to the school to test the children's vision & fit them for glasses if necessary. Programs like these allow the students to properly learn and enjoy school!

How to Contribute:

Become a Member:

Gold: \$75/month (full sponsorship of a child's education)

Silver: \$50/month

Bronze: \$25/month

One time donations are always welcomed!

We are on the corporate giving pages for both Dell and VMWare - if you work for either company, please consider utilizing those matching programs.
