### Tanzania Trip Recap

Madison, Linda and Jordan were in Tanzania last week after a long 2.5 years away. They were able to check in with the kids at school and at home and provided them with new school supplies, backpacks, shoes, clothes, special Christmas gifts, and more thanks to all of your generosity via our Bingo fundraiser.

All of the kids are healthy, happy, and doing well in school!

## Meet Our New Kids

We couldn't be more excited to have **5** new students join the MV family. From left to right we have: Najima, Abdul, Samir (Tatu's younger brother), and sibling pair Junior and Helen. This brings our total number of kids to **23**, and we couldn't do it without all of our amazing sponsors!

## Swahili Sayings

In conversing with the children and our local friends, we have learned a bit of Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you all.

**"Twende"** meaning **"Let's go"**
