We at Mesha's Village would not be celebrating this milestone had it not been for the generosity of our donors and the enthusiasm of our supporters. We can't wait for the coming year of growth, and we're so grateful to be an organization with people like

you as our supporters!

Swahili Sayings!

In conversing with the children and our local friends, we have learned a bit of Swahili, the native language in Tanzania. As an organization rooted in education, we wanted to share some of what we have learned with you all. Keep an eye out for our "Swahili Sayings" section, where we will provide a new word or phrase.

We feel that it's very fitting for the first phrase we introduce is:

"Asante" (Ah-saan-tay) meaning **"thank you"**
