## Heading Back to Tanzania

Our team is gearing up for our annual trip to Arusha, a visit always filled with laughter, learning, and love: a reminder of why our cause matters. Every donation and helping hand makes a difference, allowing us to continue showing up for these incredible kids year after year.

If you or anyone you know is interested in sponsorship, becoming a Mesha's Village member, or making a one-time donation please visit [www.meshasvillage.com](http://www.meshasvillage.com) or email [meshasvillage@gmail.com](mailto:meshasvillage@gmail.com)

Now is the perfect time to start sponsoring a new kid! When we are on the ground meeting new kids we can easily get them enrolled and set up for school!

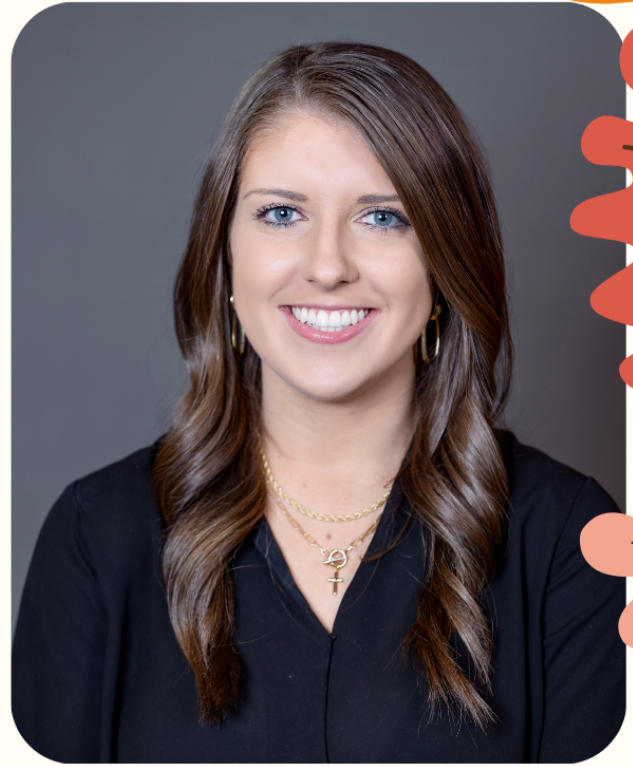

Follow us on instagram @meshasvillage to see more, and follow their school @haradalipreprimary.

## Swahili Sayings:

In conversing with the children and our local friends, we have learned a bit about Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you.
