## MEET DAVIS!

You may have already seen him on our Instagram, but we're so excited to announce that the Mesha's Village family has grown! Davis is 6 years old and is the younger brother of Deninson who has been a MV child for over 2 years. His new enrollment at Haradali makes him the 14th student sponsored by Mesha's Village. Welcome, Davis!

## December Birthdays

This month we celebrated Deninson turning 10 years old! He was almost 8 years old when we enrolled him in school and was far behind for his age. After receiving extra help from his teachers and continued support from his sponsors, the Cook's, we are thrilled to see him excelling in school!

## Giving Tuesday

Thank you to all who donated to Mesha's Village on #givingtuesday. With your generosity we were able to raise over \$600!

## Swahili Sayings!

In conversing with the children and our local friends, we have learned a bit of Swahili, the native language in Tanzania. As an organization rooted in education, we want to share some of what we have learned with you all.

**"tunakupenda"** meaning **"We love you"**

This is to show how we at Mesha's Village feel about our 14 kids as well as all of our amazing sponsors and supporters. Tunakupenda!
