## June Newsletter – Issue 11

*“Patience attracts happiness; it brings near that which is far.” - Swahili Proverb*

We're excited to share that Haradali Pre & Primary Schools are preparing to reopen on June 29th! With increased sanitization and precautions, the schools will be ready to receive students when the doors open back up next week.

### INTRODUCING SUMAIYA!

We are thrilled to announce that the Mesha's Village family is growing! This is Sumaiya and she'll turn 5 years old in September. She is our 12th MV child enrolled in school and the younger sister of one of our other sponsored kids, Mariam! She'll start in the Baby B class when the schools open back up this month.

We're so eager to watch her grow in her education, and we extend a huge thank you to Tom and Linda Potter for their sponsorship of Sumaiya! You are changing lives!
